

National Science Foundation Excepted Position Vacancy

ANNOUNCEMENT NO: E20040077 **OPEN**: 06/01/04 **CLOSE**: 06/30/04

THIS IS A PERMANENT POSITION.

POSITION VACANT: Astronomer (Program Director) AD-1330-4. Annual salary ranges from

\$85,210 to \$132,791.

PROMOTION POTENTIAL: Astronomer (Program Director) AD-1330-4.

LOCATION: Directorate for Mathematical and Physical Sciences, Division of Astronomical Sciences,

Extragalactic Astronomy and Cosmology Program (EXC) Arlington, VA.

RELOCATION: Expenses will be paid.

BARGAINING UNIT STATUS: This position is included in the bargaining unit and will be filled in accordance with the merit staffing provisions of the Collective Bargaining Agreement Article VIII.

AREA OF CONSIDERATION: All Sources

THIS POSITION IS OUTSIDE THE COMPETITIVE CIVIL SERVICE

Appointment to this position will be made under the Excepted Authority of the NSF Act. Candidates who do not have civil service status or reinstatement eligibility will not obtain civil service status if selected. Candidates currently in the competitive service will be required to waive competitive civil service rights if selected. Usual civil service benefits (retirement, health benefits, life insurance) are applicable for appointments of more than one year. Disabled veterans with 30% service-connected disabilities as well as other applicants with severe disabilities will be considered without regard to the closing date if applications are received prior to final selection.

<u>DUTIES AND RESPONSIBILITIES</u>: The position is that of Program Director for the Extragalactic Astronomy and Cosmology Program (EXC). The Extragalactic Astronomy and Cosmology Program supports theoretical and observational studies extragalactic objects ranging from nearby galaxies to the most distant quasars; the formation, structure, and evolution of galaxies; and the origin, structure, evolution, and space-time relationships in the universe.

- As Program Director, involved in activities that include planning, budget development, the merit review and proposal recommendation process, and the preparation of written material about the research supported by the Division.
- Liaison with other NSF programs, Federal agencies and organizations.
- Works with the astronomical research and education community to broaden the diversity of participants in NSF programs.
- As Program Director, directs the implementation, review, funding, post-award management, and
 evaluation of the program and contributes to the intellectual integration with other programs supported
 by the Division. Designs and implements the proposal review and evaluation process for relevant
 proposals.
- Selects well qualified individuals to provide objective reviews on proposals either as individuals or as members of a panel.
- Conducts final review of proposals and evaluations, and recommends acceptance or declination.
- Manages and monitors on-going grants, contracts, interagency and cooperative agreements to ensure fulfillment of commitments to NSF.
- Evaluates progress of awards through review and evaluation of reports and publications submitted by awardees and/or meetings at NSF and during site visits.
- Contributes to the responsibility for establishing goals and objectives, initiating new program thrusts and phasing out projects. Recommends new or revised policies and plans in scientific, fiscal, and administrative matters to improve the activities and management of the Program.

<u>QUALIFICATIONS REQUIRED:</u> Applicants must possess a Ph.D. or equivalent experience in astronomy, astrophysics, or a closely related field. In addition, six or more years of successful research, research administration, and/or managerial experience pertinent to the program is required.

QUALITY RANKING FACTORS:

- 1. Knowledge and understanding of scientific principles and theories applicable to astronomy, astrophysics, and physics.
- 2. Ability to interact with members of the scientific community, private sector and peers to effectively present and advocate program policies and plans.
- 3. Recognized professional status in the scientific community.
- 4. Ability to coordinate and manage various aspects of a funding program, with an emphasis on grants management and administration.
- 5. Knowledge of and experience with coordinating funding, allocating resources, and post –award management of a research program
- 6. Ability to establish goals and initiate new programs in keeping with the objectives of the Division and Foundation.
- 7. Ability to design and implement the proposal review and evaluation process for relevant proposals including recruiting and selecting well -qualified reviewers.
- 8. Knowledge of and experience with the various aspects of funding, and post-award management of programs, including monitoring and assessing the progress and success of each program.

BASIS FOR RATING: Final ranking is based on an evaluation of your experience, education and training as they relate to the knowledge, skills and abilities specified in the Quality Ranking Factors. Current performance appraisal, letter(s) of recommendation, and awards may also be used in the evaluation process.

<u>CONDITIONS OF EMPLOYMENT</u>: Appointment to the position is contingent upon successful completion of the appropriate background investigation. Satisfactory completion of a one-year trial period may also be required.

HOW TO APPLY: You may apply for this position with the *Optional Application for Federal Employment* (OF-612), the older *Application for Federal Employment* (SF-171), a resume, or other application format of your choice - so long as it contains the necessary information (summarized below). You must also submit a current Performance Appraisal or letter(s) of recommendation from professionals who can comment on your capabilities. In order to ensure full consideration, it is recommended that you submit a supplemental statement which specifically addresses how your background and experience relate to each Quality Ranking Factor listed on this announcement.

You must specify the job announcement number, and title and grade(s) of the job for which you are applying. You should also provide the following information: • Your country of citizenship. • Your social security number. • Information about your education, including (1) high school graduation date and (2) college/university information - your major, and type and year of degree(s). If no degree, show total credits earned and indicate whether they are semester or quarter hours. • Information about all your work experience related to this job, including job titles, duties and accomplishments, employer's name and phone number, number of hours worked per week, starting and ending dates (month and year), and annual salary. If you held various positions with the same employer, describe each separately. • If you have Federal civilian experience, indicate the highest grade held, the job series, and dates held. • The brochure Applying for a Federal Job provides information on the Federal job application process; it is available by calling the number listed below. If your application does not provide all the information requested in the vacancy announcement, you may lose consideration for this job.

The National Science Foundation provides reasonable accommodations to applicants with disabilities on a case-by-case basis. If you need a reasonable accommodation for any part of the application and hiring process, please notify the point of contact listed on this vacancy announcement.

Applications may be submitted via e-mail to mloyd@nsf.gov or send all application material to National Science Foundation, Division of Human Resource Management, 4201 Wilson Boulevard, Room 315, Arlington, VA 22230. Attn: Announcement Number E20040077. In addition to the required application materials, you are asked to complete and submit the attached Applicant Survey form. Submission of this form is voluntary and will not affect your application for employment. The information is used for statistical purposes only. ALL FORMS MUST BE RECEIVED BY THE CLOSING DATE OF THIS ANNOUNCEMENT. For additional information call Myra Loyd, on (703) 292-4363. Hearing impaired individuals may call TDD (703) 292-8044.
